(c) whether India can achieve 30 per cent forest cover by promoting agro forestry; and

(d) if so, the concrete measures and steps taken in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTILAL BHURIA): (a) and (b) Yes, Sir. A Group of Ministers (GOM) constituted by the Government to consider the proposal on Crop Insurance Scheme for Tea, Rubber, Tobacco and Spices decided in its meeting held on 5th November, 2008 to discuss the issue of sharing premium subsidy between the Centre and the. State Governments in the meeting of Chief Ministers of States. The outcome of the meeting would be known after the meeting of the Chief Ministers.

(c) and (d) The National Mission for Green India envisages national goal of having 1/3rd of land are (*i.e.* 30% by the end of 12th Five Year Plan) of the country under forest and tree cover through plantation and regeneration by involving JFM committees; Panchayats; State Forest Departments and other concerned agencies. The agro forestry is one of the components of the approach to promote forest and tree covers.
